- Great branding possibilities
- Digital thermometer
- Castors with brake
- 2 wire baskets, white
- Climate class 5 for high performance in warm surroundings

Sliding glass lids

Strong castors

Chest freezer with flat sliding glass lids

The IC-SC freezer is a price friendly compact display chest freezer. It is great for start-up companies, season sale etc. It is very stable and solid build, but at the same time on wheels so that it is easy to change location in the shop.

It comes in varies sizes. The many sizes makes the model perfect for smaller shops and delis with limited space as well as larger shops, gas stations, supermarkets etc.

All sizes are environmental friendly and can be branded for better presentation of the cabinet content.

The freezer is ideal for display of frozen food including ice cream and lollies. Temperature can be held around -14°C for ice cream or around -21°C for other frozen foods.

All sizes have glass lids with a lock for security. They also have a defrost drain for cleaning out the unit.
